BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.1 Section 1. Minnesota Statutes 2008, section 3.7393, subdivision 12, is amended to read:

2.2 Subd. 12. **Supplemental payments.** (a) For purposes of this subdivision,
2.3 "uncompensated medical expenses" means:

2.4 (1) medical expenses less payments made to a survivor from collateral sources
2.5 referred to in section ~~548.36~~ 548.251, subdivision 1, that provide payments for medical
2.6 expenses; and

2.7 (2) the present value of premiums, deductibles, and coinsurance payments for
2.8 high-risk health plan coverage offered by the Minnesota Comprehensive Health
2.9 Association or by another similar health plan.

2.10 (b) A survivor is eligible for a supplemental payment if the offer of settlement
2.11 calculation for the survivor, as provided in subdivision 10, exceeds \$400,000.

2.12 The supplemental payment must be calculated based solely on that portion of the
2.13 uncompensated medical expenses, loss of income, future earning capacity, or other
2.14 financial support for which compensation was not received under the offer of settlement or
2.15 settlement agreement under subdivision 11. A supplemental payment may only be made
2.16 to a survivor who has accepted an offer of settlement, entered into a settlement agreement,
2.17 and executed a release under subdivision 13. Consistent with the requirements of this
2.18 section, the panel shall establish necessary procedures and timelines for the award of
2.19 supplemental payments. A supplemental payment may be made only for the following
2.20 purposes, in the following order of priority:

2.21 (1) to pay uncompensated medical expenses in excess of those paid from the first
2.22 \$400,000; and

2.23 (2) to pay for loss of income, future earning capacity, or other financial support
2.24 not included in the first \$400,000.

2.25 No payment may be made to a survivor for loss of income under clause (2) unless
2.26 and until all survivors have been fully paid for all medical expenses for which they are
2.27 eligible under clause (1).

2.28 (c) If the available appropriation is insufficient to make full awards to all survivors
2.29 eligible for a supplemental payment, the panel may award the payments based on a uniform
2.30 percentage of the amount that is less than the full amount eligible for a supplemental
2.31 payment or take other steps the panel considers necessary to ensure that the available
2.32 appropriation is equitably distributed among all survivors who have requested and qualify
2.33 for a supplemental payment, subject to the order of priority under this subdivision.

2.34 Sec. 2. Minnesota Statutes 2008, section 12A.05, subdivision 3, is amended to read:

3.3 waiver applies to all existing and future contracts to address critical conservation problems
3.4 resulting from the disaster that are funded in whole or in part with state money, to the
3.5 extent that combined federal and state funding does not exceed 100 percent. All existing
3.6 state cost-share grant agreements in the disaster area are extended, as provided in law.

3.7 ~~(b) The payment maximums for improvements to the land under section 103F.515,~~
3.8 ~~subdivision 6, paragraph (a), clause (1), are waived for easements acquired in the disaster~~

3.21 security service data that are similar to the data described as arrest data in section 13.82,
3.22 subdivision 2, are public. If a security service participates in but does not make an arrest it
3.23 shall, upon request, provide data that identify the arresting law enforcement agency. All
3.24 other security service data are security information pursuant to section 13.37.

4.4 otherwise provided for or prohibited by law. The property may not be rented out for
4.5 more than five years at a time without the approval of the State Executive Council and
4.6 may never be rented out for more than 25 years. A rental agreement may provide that
4.7 the state will reimburse a tenant for a portion of capital improvements that the tenant
4.8 makes to state real property if the state does not permit the tenant to renew the lease at
4.9 the end of the rental agreement.

4.10 (b) **Restrictions.** Paragraph (a) does not apply to state trust fund lands, other state

4.28 access appropriations shall be credited to a segregated asset preservation and replacement
4.29 account in a special revenue fund. Fifty percent of the money credited to the account each
4.30 fiscal year must be transferred to the general fund. The remaining money in the account
4.31 is appropriated to the commissioner to be expended for asset preservation projects as
4.32 determined by the commissioner. Money collected as rent to recover the depreciation and

5.18 vehicles as soon as they become commercially available, meet the state's performance
5.19 specifications, and are priced no more than ten percent above the price for comparable
5.20 gasoline-powered vehicles. It is the intention of the state to purchase electric vehicles,
5.21 plug-in hybrid electric vehicles, and neighborhood electric vehicles whenever practicable

5.27 fiscal year. The rate is a percentage of the debts in an amount that most nearly equals
5.28 the costs of the enterprise necessary to process and collect referred debts under this
5.29 chapter. In no event shall the rate of the collection costs exceed 25 percent of the debt.
5.30 Determination of the rate of collection costs under this section is not subject to the fee
5.31 setting requirements of section ~~16A.1285~~ 16A.1283.

6.24 similar sentence approved by the commissioner: "These loan charges are higher than
6.25 otherwise permitted under Minnesota law. Minnesota law permits these higher charges
6.26 only because short-term small loans might otherwise not be available to consumers. If
6.27 you have another source of a loan, you may be able to benefit from a lower interest rate
6.28 and other loan charges." The notice must not contain any other statement or information,
6.29 unless the commissioner has determined that the additional statement or information is
6.30 necessary to prevent confusion or inaccuracy. The notice must be designed with a type
6.31 size that is large enough to be readily noticeable and legible. The form of the notice must

7.9 of the preceding calendar year and, if applicable, information required under section
7.10 47.601, subdivision ~~5~~4. This report shall be made under oath in the form prescribed by
7.11 the commissioner.

7.12 (2) Each industrial loan and thrift company which holds authority to accept accounts
7.13 pursuant to section 53.04, subdivision 5, shall in place of the requirement in clause (1)
7.14 submit the reports required of state banks pursuant to section 48.48.

7.15 (3) Within 30 days following a change in controlling ownership of the capital stock
7.16 of an industrial loan and thrift company, it shall file a written report with the commissioner
7.17 stating in detail the nature of such change in ownership.

7.18 Sec. 13. Minnesota Statutes 2008, section 53C.01, subdivision 12a, is amended to read:

7.19 Subd. 12a. **Service contract.** "Service contract" ~~means a motor vehicle service~~
7.20 ~~contract as defined in section 65B.29~~ has the meaning given it in section 59B.02,

7.22 Sec. 14. Minnesota Statutes 2009 Supplement, section 69.772, subdivision 6, is
7.23 amended to read:

7.24 Subd. 6. **Municipal ratification for plan amendments.** If the special fund of
7.25 the relief association does not have a surplus over full funding pursuant to subdivision
7.26 3, ~~clause (2), subclause (c)~~ paragraph (c), clause (5), or if the municipality is required to
7.27 provide financial support to the special fund of the relief association pursuant to this
7.28 section, the adoption of or any amendment to the articles of incorporation or bylaws of a
7.29 relief association which increases or otherwise affects the retirement coverage provided by
7.30 or the service pensions or retirement benefits payable from the special fund of any relief
7.31 association to which this section applies is not effective until it is ratified by the governing
7.32 body of the municipality in which the relief association is located and the officers of a
7.33 relief association shall not seek municipal ratification prior to preparing and certifying

8.1 an estimate of the expected increase in the accrued liability and annual accruing liability
8.2 of the relief association attributable to the amendment. If the special fund of the relief
8.3 association has a surplus over full funding pursuant to subdivision 3, ~~clause (2), subclause~~
8.4 ~~(e) paragraph (c), clause (5)~~, and if the municipality is not required to provide financial
8.5 support to the special fund of the relief association pursuant to this section, the relief
8.6 association may adopt or amend its articles of incorporation or bylaws which increase or
8.7 otherwise affect the retirement coverage provided by or the service pensions or retirement
8.8 benefits payable from the special fund of the relief association which are effective
8.9 without municipal ratification so long as this does not cause the amount of the resulting
8.10 increase in the accrued liability of the special fund of the relief association to exceed 90
8.11 percent of the amount of the surplus over full funding reported in the prior year and this
8.12 does not result in the financial requirements of the special fund of the relief association
8.13 exceeding the expected amount of the future fire state aid to be received by the relief
8.14 association as determined by the board of trustees following the preparation of an estimate
8.15 of the expected increase in the accrued liability and annual accruing liability of the relief
8.16 association attributable to the change. If a relief association adopts or amends its articles
8.17 of incorporation or bylaws without municipal ratification pursuant to this subdivision,
8.18 and, subsequent to the amendment or adoption, the financial requirements of the special
8.19 fund of the relief association pursuant to this section are such so as to require financial
8.20 support from the municipality, the provision which was implemented without municipal
8.21 ratification is no longer effective without municipal ratification and any service pensions
8.22 or retirement benefits payable after that date may be paid only in accordance with the
8.23 articles of incorporation or bylaws as amended or adopted with municipal ratification.

22.17 the commissioner takes corrective action.

22.18 (h) The commissioner may at any time take corrective action against an authorizer,
22.19 including terminating an authorizer's ability to charter a school for:

24.25 (c) The fee that each charter school pays to an authorizer each year is the greater of:

24.29 (ii) the fee factor times the basic formula allowance for that year times the charter

24.31 year 2010, .01 in fiscal year 2011, .013 in fiscal year 2012, and .015 in fiscal years 2013
24.32 and later. The maximum fee factor equals 1.5 in fiscal year 2010, 2.0 in fiscal year 2011,

25.5 (f) By September 30 of each year, an authorizer shall submit to the commissioner
25.6 a statement of expenditures related to chartering activities during the previous school
25.7 year ending June 30. A copy of the statement shall be given to all schools chartered by
25.8 the authorizer.

25.9 Sec. 28. Minnesota Statutes 2009 Supplement, section 124D.10, subdivision 23,
25.10 is amended to read:

25.11 Subd. 23. **Causes for nonrenewal or termination of charter school contract.** (a)
25.12 The duration of the contract with an authorizer must be for the term contained in the
25.13 contract according to subdivision 6. The authorizer may or may not renew a contract at
25.14 the end of the term for any ground listed in paragraph (b). An authorizer may unilaterally
25.15 terminate a contract during the term of the contract for any ground listed in paragraph
25.16 (b). At least 60 days before not renewing or terminating a contract, the authorizer shall
25.17 notify the board of directors of the charter school of the proposed action in writing. The
25.18 notice shall state the grounds for the proposed action in reasonable detail and that the
25.19 charter school's board of directors may request in writing an informal hearing before the
25.20 authorizer within 15 business days of receiving notice of nonrenewal or termination of the
25.21 contract. Failure by the board of directors to make a written request for a hearing within
25.22 the 15-business-day period shall be treated as acquiescence to the proposed action. Upon
25.23 receiving a timely written request for a hearing, the authorizer shall give ten business days'
25.24 notice to the charter school's board of directors of the hearing date. The authorizer shall
25.25 conduct an informal hearing before taking final action. The authorizer shall take final
25.26 action to renew or not renew a contract no later than 20 business days before the proposed
25.27 date for terminating the contract or the end date of the contract.

25.28 (b) A contract may be terminated or not renewed upon any of the following grounds:
25.29 (1) failure to meet the requirements for pupil performance contained in the contract;
25.30 (2) failure to meet generally accepted standards of fiscal management;
25.31 (3) violations of law; or
25.32 (4) other good cause shown.

25.33 If a contract is terminated or not renewed under this paragraph, the school must be
25.34 dissolved according to the applicable provisions of chapter 308A or 317A.

26.1 (c) If the ~~sponsor~~ authorizer and the charter school board of directors mutually agree
26.2 to terminate or not renew the contract, a change in ~~sponsors~~ authorizers is allowed if the
26.3 commissioner approves the transfer to a different eligible authorizer to authorize the
26.4 charter school. Both parties must jointly submit their intent in writing to the commissioner
26.5 to mutually terminate the contract. The ~~sponsor~~ authorizer that is a party to the existing
26.6 contract at least must inform the approved different eligible ~~sponsor~~ authorizer about
26.7 the fiscal and operational status and student performance of the school. Before the
26.8 commissioner determines whether to approve a transfer of authorizer, the commissioner
26.9 first must determine whether the charter school and prospective new authorizer can
26.10 identify and effectively resolve those circumstances causing the previous authorizer and
26.11 the charter school to mutually agree to terminate the contract. If no transfer of ~~sponsor~~
26.12 authorizer is approved, the school must be dissolved according to applicable law and
26.13 the terms of the contract.

26.14 (d) The commissioner, after providing reasonable notice to the board of directors of
26.15 a charter school and the existing authorizer, and after providing an opportunity for a public
26.16 hearing, may terminate the existing contract between the authorizer and the charter school
26.17 board if the charter school has a history of:

- 26.18 (1) failure to meet pupil performance requirements contained in the contract;
26.19 (2) financial mismanagement or failure to meet generally accepted standards of
26.20 fiscal management; or
26.21 (3) repeated or major violations of the law.

26.22 (e) If the commissioner terminates a charter school contract under subdivision 3,
26.23 paragraph (g), the commissioner shall provide the charter school with information about
26.24 other eligible authorizers.

26.25 Sec. 29. Minnesota Statutes 2009 Supplement, section 124D.10, subdivision 25,
26.26 is amended to read:

26.27 Subd. 25. **Extent of specific legal authority.** (a) The board of directors of a charter
26.28 school may sue and be sued.

26.29 (b) The board may not levy taxes or issue bonds.

26.31 an authorizer in their official capacity, and employees of ~~a sponsor~~ an authorizer are
26.32 immune from civil or criminal liability with respect to all activities related to a charter
26.33 school they approve or ~~sponsor~~ authorize. The board of directors shall obtain at least the
26.34 amount of and types of insurance up to the applicable tort liability limits under chapter
26.35 466. The charter school board must submit a copy of the insurance policy to its authorizer

27.8 Sec. 31. Minnesota Statutes 2008, section 126C.55, subdivision 6, is amended to read:

27.9 Subd. 6. **Tax levy for repayment.** (a) With the approval of the commissioner, a
27.10 district may levy in the year the state makes a payment under this section an amount up to
27.11 the amount necessary to provide funds for the repayment of the amount paid by the state
27.12 plus interest through the date of estimated repayment by the district. The proceeds of this
27.13 levy may be used only for this purpose unless they are in excess of the amount actually
27.14 due, in which case the excess shall be used to repay other state payments made under this
27.15 section or shall be deposited in the debt redemption fund of the school district. This levy
27.16 shall be an increase in the levy limits of the district for purposes of section 275.065,
27.17 subdivision 6. The amount of aids to be reduced to repay the state shall be decreased by
27.18 the amount levied. This levy by the district is not eligible for debt service equalization
27.19 under section 123B.53.

27.20 (b) If the state is not repaid in full for a payment made under this section by

27.22 payment, the commissioner shall require the district to certify a property tax levy in an
27.23 amount up to the amount necessary to provide funds for repayment of the amount paid by
27.24 the state plus interest through the date of estimated repayment by the school district. To
27.25 prevent undue hardship, the commissioner may allow the district to certify the levy over a
27.26 five-year period. The proceeds of the levy may be used only for this purpose unless they
27.27 are in excess of the amount actually due, in which case the excess shall be used to repay
27.28 other state payments made under this section or shall be deposited in the debt redemption
27.29 fund of the district. This levy shall be an increase in the levy limits of the school district
27.30 for purposes of section 275.065, subdivision 6. If the commissioner orders the district
27.31 to levy, the amount of aids reduced to repay the state shall be decreased by the amount
27.32 levied. This levy by the district is not eligible for debt service equalization under section
27.33 123B.53 or any successor provision. ~~A levy under this subdivision must be explained as a~~
27.34 ~~specific increase at the meeting required under section 275.065, subdivision 6.~~

28.1 (c) For an intermediate district, a levy made by a member district under paragraph (a)
28.2 or (b) to pay its pro rata share must be spread by the commissioner as a tax rate based on
28.3 the total adjusted net tax capacity of the member school districts. The proceeds of the levy
28.4 must be remitted by the member school district to the intermediate school district and must
28.5 be used by the intermediate district only to repay the state amounts owed. Any amount in
28.6 excess of the amount owed to the state must be repaid to the member school districts and
28.7 the commissioner shall adjust each member district's property tax levy in the next year.

40.34 administrative review. The administrative review shall be conducted by the responsible

41.1 social services agency using a panel of appropriate persons at least one of whom is not
41.2 responsible for the case management of, or the delivery of services to, either the child or
41.3 the parents who are the subject of the review. The administrative review shall be open to
41.4 participation by the parent or guardian of the child and the child, as appropriate.

41.13 the requirement for the review so long as the other requirements of this section are met.

41.14 (c) As appropriate to the stage of the proceedings and relevant court orders, the

41.25 (d) When a child is age 16 or older, in addition to any administrative review

41.31 to each item in the plan necessary to the child's future safety and well-being when the
41.32 child is no longer in foster care.

41.33 (1) At the court review, the responsible social services agency shall establish that
41.34 it has given the notice required under Minnesota Rules, part ~~9560.0060~~ 9560.0660,
41.35 regarding the right to continued access to services for certain children in foster care past
41.36 age 18 and of the right to appeal a denial of social services under section 256.045. If the

42.1 agency is unable to establish that the notice, including the right to appeal a denial of social

42.26 identification card or driver's license, green card, or school visa; the child's school,
42.27 medical, and dental records; a contact list of the child's medical, dental, and mental health
42.28 providers; and contact information for the child's siblings, if the siblings are in foster care.

42.29 (e) When a child is age 17 or older, during the 90-day period immediately prior to
42.30 the date the child is expected to be discharged from foster care, the responsible social
42.31 services agency is required to provide the child with assistance and support in developing
42.32 a transition plan that is personalized at the direction of the child. The transition plan
42.33 must be as detailed as the child may elect and include specific options on housing, health
42.34 insurance, education, local opportunities for mentors and continuing support services,

43.1 individual with appropriate contact information if the individual needs more information
43.2 or needs help dealing with a crisis situation through age 21.

43.3 Sec. 53. Minnesota Statutes 2008, section 260C.301, subdivision 1, is amended to read:

43.4 Subdivision 1. **Voluntary and involuntary.** The juvenile court may upon petition,
43.5 terminate all rights of a parent to a child:

43.6 (a) with the written consent of a parent who for good cause desires to terminate
43.7 parental rights; or

43.8 (b) if it finds that one or more of the following conditions exist:

43.9 (1) that the parent has abandoned the child;

43.10 (2) that the parent has substantially, continuously, or repeatedly refused or neglected
43.11 to comply with the duties imposed upon that parent by the parent and child relationship,
43.12 including but not limited to providing the child with necessary food, clothing, shelter,
43.13 education, and other care and control necessary for the child's physical, mental, or
43.14 emotional health and development, if the parent is physically and financially able, and
43.15 either reasonable efforts by the social services agency have failed to correct the conditions
43.16 that formed the basis of the petition or reasonable efforts would be futile and therefore
43.17 unreasonable;

43.18 (3) that a parent has been ordered to contribute to the support of the child or
43.19 financially aid in the child's birth and has continuously failed to do so without good cause.
43.20 This clause shall not be construed to state a grounds for termination of parental rights of a
43.21 noncustodial parent if that parent has not been ordered to or cannot financially contribute
43.22 to the support of the child or aid in the child's birth;

43.23 (4) that a parent is palpably unfit to be a party to the parent and child relationship
43.24 because of a consistent pattern of specific conduct before the child or of specific conditions
43.25 directly relating to the parent and child relationship either of which are determined by
43.26 the court to be of a duration or nature that renders the parent unable, for the reasonably
43.27 foreseeable future, to care appropriately for the ongoing physical, mental, or emotional
43.28 needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent
43.29 and child relationship upon a showing that the parent's parental rights to one or more other
43.30 children were involuntarily terminated or that the parent's custodial rights to another child
43.31 have been involuntarily transferred to a relative under section 260C.201, subdivision 11,
43.32 paragraph (e), clause (1), or a similar law of another jurisdiction;

43.33 (5) that following the child's placement out of the home, reasonable efforts, under the
43.34 direction of the court, have failed to correct the conditions leading to the child's placement.
43.35 It is presumed that reasonable efforts under this clause have failed upon a showing that:

44.1 (i) a child has resided out of the parental home under court order for a cumulative
44.2 period of 12 months within the preceding 22 months. In the case of a child under age eight
44.3 at the time the petition was filed alleging the child to be in need of protection or services,
44.4 the presumption arises when the child has resided out of the parental home under court
44.5 order for six months unless the parent has maintained regular contact with the child and
44.6 the parent is complying with the out-of-home placement plan;

44.7 (ii) the court has approved the out-of-home placement plan required under section
44.8 260C.212 and filed with the court under section 260C.178;

44.9 (iii) conditions leading to the out-of-home placement have not been corrected. It
44.10 is presumed that conditions leading to a child's out-of-home placement have not been
44.11 corrected upon a showing that the parent or parents have not substantially complied with
44.12 the court's orders and a reasonable case plan; and

44.13 (iv) reasonable efforts have been made by the social services agency to rehabilitate
44.14 the parent and reunite the family.

44.15 This clause does not prohibit the termination of parental rights prior to one year, or
44.16 in the case of a child under age eight, prior to six months after a child has been placed
44.17 out of the home.

44.18 It is also presumed that reasonable efforts have failed under this clause upon a
44.19 showing that:

44.20 (A) the parent has been diagnosed as chemically dependent by a professional
44.21 certified to make the diagnosis;

44.22 (B) the parent has been required by a case plan to participate in a chemical
44.23 dependency treatment program;

44.24 (C) the treatment programs offered to the parent were culturally, linguistically,
44.25 and clinically appropriate;

44.26 (D) the parent has either failed two or more times to successfully complete a
44.27 treatment program or has refused at two or more separate meetings with a caseworker
44.28 to participate in a treatment program; and

44.29 (E) the parent continues to abuse chemicals.

44.30 (6) that a child has experienced egregious harm in the parent's care which is of a
44.31 nature, duration, or chronicity that indicates a lack of regard for the child's well-being,
44.32 such that a reasonable person would believe it contrary to the best interest of the child
44.33 or of any child to be in the parent's care;

44.34 (7) that in the case of a child born to a mother who was not married to the child's
44.35 father when the child was conceived nor when the child was born the person is not entitled

45.1 to notice of an adoption hearing under section 259.49 and the person has not registered
45.2 with the fathers' adoption registry under section 259.52;

45.3 (8) that the child is neglected and in foster care; or

45.4 (9) that the parent has been convicted of a crime listed in section 260.012, paragraph
45.5 ~~(b)~~ (g), clauses (1) to (3).

45.6 In an action involving an American Indian child, sections 260.751 to 260.835 and
45.7 the Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control
45.8 to the extent that the provisions of this section are inconsistent with those laws.

45.9 Sec. 54. Minnesota Statutes 2008, section 270.41, subdivision 5, is amended to read:

45.10 Subd. 5. **Prohibited activity.** A licensed assessor or other person employed by an
45.11 assessment jurisdiction or contracting with an assessment jurisdiction for the purpose
45.12 of valuing or classifying property for property tax purposes is prohibited from making
45.13 appraisals or analyses, accepting an appraisal assignment, or preparing an appraisal report
45.14 as defined in section ~~82B.02, subdivisions 2 to 5~~ 82B.021, subdivisions 2, 4, 6, and 7,
45.15 on any property within the assessment jurisdiction where the individual is employed or
45.16 performing the duties of the assessor under contract. Violation of this prohibition shall
45.17 result in immediate revocation of the individual's license to assess property for property tax
45.18 purposes. This prohibition must not be construed to prohibit an individual from carrying
45.19 out any duties required for the proper assessment of property for property tax purposes.
45.20 If a formal resolution has been adopted by the governing body of a governmental unit,
45.21 which specifies the purposes for which such work will be done, this prohibition does not
45.22 apply to appraisal activities undertaken on behalf of and at the request of the governmental
45.23 unit that has employed or contracted with the individual. The resolution may only allow
45.24 appraisal activities which are related to condemnations, right-of-way acquisitions, or
45.25 special assessments.

46.6 (b) A client may bring a civil action seeking redress for a violation of this section in
46.7 the conciliation or the district court of the county in which unlawful action is alleged to
46.8 have been committed or where the respondent resides or has a principal place of business.

47.12 and limiting its future use to the preparation and removal of the commercial aggregate
47.13 deposit under its surface. To qualify under this clause, the covenant must be binding on
47.14 the owner or the owner's successor or assignee, and run with the land, except as provided

59.19 funding under section 69.772, subdivision 3, ~~clause (2), subclause (c) paragraph (c),~~
59.20 clause (5), or 69.773, subdivision 4, and if the municipality is required to provide financial
59.21 support to the special fund of the relief association under section 69.772 or 69.773, no
59.22 bylaw amendment which would affect the amount of, the manner of payment of, or the
59.23 conditions for qualification for service pensions or ancillary benefits or disbursements
59.24 other than administrative expenses authorized under section 69.80 payable from the
59.25 special fund of the relief association is effective until it has been ratified by the governing
59.26 body or bodies of the appropriate municipalities. If the municipality is not required to
59.27 provide financial support to the special fund under this section, the relief association may
59.28 adopt or amend without municipal ratification its articles of incorporation or bylaws
59.29 which increase or otherwise affect the service pensions or ancillary benefits payable
59.30 from the special fund so long as the changes do not cause the amount of the resulting
59.31 increase in the accrued liability of the special fund to exceed 90 percent of the amount
59.32 of the surplus over full funding reported in the prior year and the changes do not result
59.33 in the financial requirements of the special fund exceeding the expected amount of the
59.34 subsequent calendar year's fire state aid to be received by the relief association.

60.1 (c) If the relief association pays only a lump-sum pension, the financial requirements
60.2 are to be determined by the board of trustees following the preparation of an estimate
60.3 of the expected increase in the accrued liability and annual accruing liability of the
60.4 relief association attributable to the change. If the relief association pays a monthly
60.5 benefit service pension, the financial requirements are to be determined by the board of
60.6 trustees following either an updated actuarial valuation including the proposed change
60.7 or an estimate of the expected actuarial impact of the proposed change prepared by the
60.8 actuary of the relief association. If a relief association adopts or amends its articles
60.9 of incorporation or bylaws without municipal ratification under this subdivision, and,
60.10 subsequent to the amendment or adoption, the financial requirements of the special fund
60.11 under this section are such so as to require financial support from the municipality, the
60.12 provision which was implemented without municipal ratification is no longer effective
60.13 without municipal ratification, and any service pensions or ancillary benefits payable after
60.14 that date must be paid only in accordance with the articles of incorporation or bylaws as
60.15 amended or adopted with municipal ratification.

60.16 Sec. 74. Minnesota Statutes 2008, section 469.154, subdivision 3, is amended to read:

60.17 Subd. 3. **Conditions; approval.** No municipality or redevelopment agency shall
60.18 undertake any project authorized by sections 469.152 to 469.165, except a project referred
60.19 to in section 469.153, subdivision 2, paragraph (g) or (j), unless its governing body finds
60.20 that the project furthers the purposes stated in section 469.152, nor until the commissioner
60.21 has approved the project, on the basis of preliminary information the commissioner
60.22 requires, as tending to further the purposes and policies of sections 469.152 to 469.165.
60.23 ~~The commissioner may not approve any projects relating to health care facilities except as~~
60.24 ~~permitted under subdivision 6.~~ Approval shall not be deemed to be an approval by the
60.25 commissioner or the state of the feasibility of the project or the terms of the revenue
60.26 agreement to be executed or the bonds to be issued therefor, and the commissioner shall
60.27 state this in communicating approval.

60.28 Sec. 75. Minnesota Statutes 2008, section 473.599, subdivision 8, is amended to read:

60.29 Subd. 8. **Reimbursement to state.** The commission shall compensate the state for
60.30 its contribution from the general fund under Minnesota Statutes 2008, section 240A.08,
60.31 plus accrued interest, after payment of basketball and hockey arena debt service, the
60.32 necessary and appropriate funding of debt reserve of the basketball and hockey arena and
60.33 all expenses of operation, administration, and maintenance and the funding of a capital
60.34 reserve for the repair, remodeling and renovation of the basketball and hockey arena.

61.1 Compensation paid to the state shall occur at the same time that compensation is paid to the
61.2 city of Minneapolis, as provided in paragraph (n) of subdivision 4, on a basis proportionate
61.3 to the amount of forbearance of the entertainment tax or surcharge as provided in
61.4 paragraph (n) to that date, and the amount of general fund appropriations paid by the state
61.5 under Minnesota Statutes 2008, section 240A.08₂ to that date. No reimbursement will be
61.6 paid under this subdivision after (1) the aggregate amount of the appropriations granted
61.7 under Minnesota Statutes 2008, section 240A.08₂ to that time, plus accrued interest, has
61.8 been reimbursed under this subdivision, or (2) December 31, 2024, whichever is earlier.

61.9 Sec. 76. Minnesota Statutes 2008, section 490.133, is amended to read:

61.10 **490.133 RETIREMENT; TRANSITION PROVISIONS; TRANSFER TO**

61.12 (a) If a judge to whom or to whose survivors benefits would be payable under
61.13 Minnesota Statutes 2004, sections 490.101 to 490.12, is elected or appointed to the Court
61.14 of Appeals, that judge and the judge's survivors continue to be eligible for benefits under
61.15 those sections and not under sections 490.121 to ~~490.132~~ 490.126.

61.16 (b) In the case of a judge to whom paragraph (a) applies, the service of the judge in
61.17 the Court of Appeals must be added to the prior service as district judge, probate judge, or
61.18 judge of any other court of record in determining eligibility and the compensation of a
61.19 judge of the Court of Appeals at the time of the judge's death, disability, or retirement is
61.20 the "compensation allotted to the office" for the purposes of calculating benefit amounts.

61.21 (c) All other judges of the Court of Appeals and their survivors are subject to the
61.22 retirement and survivor's annuity provisions of this chapter.

61.23 Sec. 77. Minnesota Statutes 2008, section 507.071, subdivision 16, is amended to read:

61.24 Subd. 16. **Disclaimer by beneficiary.** A grantee beneficiary's interest under a
61.25 transfer on death deed may be disclaimed as provided in ~~section 501B.86~~ sections

64.2 association, master association nor unit owner may acquire, increase, waive, reduce or

Laws 2006, chapter 277, article 1, section 1

Section 1. Minnesota Statutes 2004, section 11A.18, subdivision 9, is amended to read:

Subd. 9. Calculation of postretirement adjustment. (a) Annually, following June 30, the state board shall use the procedures in paragraphs (b), (c), and (d) to determine whether a postretirement adjustment is payable and to determine the amount of any postretirement adjustment.

(b) If the Consumer Price Index for urban wage earners and clerical workers all items index published by the Bureau of Labor Statistics of the United States Department of Labor increases from June 30 of the preceding year to June 30 of the current year, the state board shall certify the percentage increase. The amount certified must not exceed the lesser of the difference between the preretirement interest assumption and postretirement interest assumption in section 356.215, subdivision 8, paragraph (a), or 2.5 percent. For the Minneapolis Employees Retirement Fund, the amount certified must not exceed 3.5 percent.

(c) In addition to any percentage increase certified under paragraph (b), the board shall use the following procedures to determine if a postretirement adjustment is payable under this paragraph:

(1) The state board shall determine the market value of the fund on June 30 of that year;

(2) The amount of reserves required as of the current June 30 for the annuity or benefit payable to an annuitant and benefit recipient of the participating public pension plans or funds must be determined by the actuary retained under section 356.214. An annuitant or benefit recipient who has been receiving an annuity or benefit for at least 12 full months as of the current June 30 is eligible to receive a full postretirement adjustment. An annuitant or benefit recipient who has been receiving an annuity or benefit for at least one full month, but less than 12 full months as of the current June 30, is eligible to receive a partial postretirement adjustment. Each fund shall report separately the amount of the reserves for those annuitants and benefit recipients who are eligible to receive a full postretirement benefit adjustment. This amount is known as "eligible reserves." Each fund shall also report separately the amount of the reserves for those annuitants and benefit recipients who are not eligible to receive a postretirement adjustment. This amount is known as "noneligible reserves." For an annuitant or benefit recipient who is eligible to receive a partial postretirement adjustment, each fund shall report separately as additional "eligible reserves" an amount that bears the same ratio to the total reserves required for the annuitant or benefit recipient as the number of full months of annuity or benefit receipt as of the current June 30 bears to 12 full months. The remainder of the annuitant's or benefit recipient's reserves must be separately reported as additional "noneligible reserves." The amount of "eligible" and "noneligible" required reserves must be certified to the board by the commission-retained actuary as soon as is practical following the current June 30;

(3) The state board shall determine the percentage increase certified under paragraph (b) multiplied by the eligible required reserves, as adjusted for mortality gains and losses under subdivision 11, determined under clause (2);

(4) The state board shall add the amount of reserves required for the annuities or benefits payable to annuitants and benefit recipients of the participating public pension plans or funds as of the current June 30 to the amount determined under clause (3);

(5) The state board shall subtract the amount determined under clause (4) from the market value of the fund determined under clause (1);

(6) The state board shall adjust the amount determined under clause (5) by the cumulative current balance determined under clause (8) and any negative balance carried forward under clause (9);

(7) A positive amount resulting from the calculations in clauses (1) to (6) is the excess market value. A negative amount is the negative balance;

APPENDIX

Repealed Minnesota Session Laws: s2642-2

(8) The state board shall allocate one-fifth of the excess market value or one-fifth of the negative balance to each of five consecutive years, beginning with the fiscal year ending the current June 30; and

(9) To calculate the postretirement adjustment under this paragraph based on investment performance for a fiscal year, the state board shall add together all excess market value allocated to that year and subtract from the sum all negative balances allocated to that year. If this calculation results in a negative number, the entire negative balance must be carried forward and allocated to the next year. If the resulting amount is positive, a postretirement adjustment is payable under this paragraph. The board shall express a positive amount as a percentage of the total eligible required reserves certified to the board under clause (2).

(d) The state board shall determine the amount of any postretirement adjustment which is payable using the following procedure:

(1) The total "eligible" required reserves as of the first of January next following the end of the fiscal year for the annuitants and benefit recipients eligible to receive a full or partial postretirement adjustment as determined by clause (2) must be certified to the state board by the actuary retained under section 356.214. The total "eligible" required reserves must be determined by the actuary retained under section 356.214 on the assumption that all annuitants and benefit recipients eligible to receive a full or partial postretirement adjustment will be alive on the January 1 in question; and

(2) The state board shall add the percentage certified under paragraph (b) to any positive percentage calculated under paragraph (c). The board shall not subtract from the percentage certified under paragraph (b) any negative amount calculated under paragraph (c). The sum of these percentages must be carried to five decimal places and must be certified to each participating public pension fund or plan as the full postretirement adjustment percentage. The full postretirement adjustment percentage certified to each participating public pension plan or fund must not exceed five percent. For the Minneapolis Employees Retirement Fund, no maximum percentage adjustment is applicable.

(e) A retirement annuity payable in the event of retirement before becoming eligible for Social Security benefits as provided in section 352.116, subdivision 3; 353.29, subdivision 6; or 354.35 must be treated as the sum of a period certain retirement annuity and a life retirement annuity for the purposes of any postretirement adjustment. The period certain retirement annuity plus the life retirement annuity must be the annuity amount payable until age 62 or 65, whichever applies. A postretirement adjustment granted on the period certain retirement annuity must terminate when the period certain retirement annuity terminates.

Subd. 2. **Preliminary design plans; public hearing.** Before final design plans are prepared for a light rail transit facility in the metropolitan area, the responsible authority and the regional railroad authority or authorities in whose jurisdiction the line or lines are located must hold a public hearing on the physical design component of the preliminary design plans. The responsible authority and the regional railroad authority or authorities in whose jurisdiction the line or lines are located must provide appropriate public notice of the hearing and publicity to ensure that affected parties have an opportunity to present their views at the hearing. The responsible authority shall summarize the proceedings and testimony and maintain the record of a hearing held under this section, including any written statements submitted.

Subd. 3. **Preliminary design plans; local approval.** At least 30 days before the hearing under subdivision 2, the responsible authority shall submit the physical design component of the preliminary design plans to the governing body of each statutory and home rule charter city, county, and town in which the route is proposed to be located. The city, county, or town shall hold a public hearing. Within 45 days after the hearing under subdivision 2, the city, county, or town shall review and approve or disapprove the plans for the route to be located in the city, county, or town. A local unit of government that disapproves the plans shall describe specific amendments to the plans that, if adopted, would cause the local unit to withdraw its disapproval. Failure to approve or disapprove the plans in writing within 45 days after the hearing is deemed to be approval, unless an extension of time is agreed to by the city, county, or town and the responsible authority.

Subd. 4. **Preliminary design plans; council referral.** If the governing body of one or more cities, counties, or towns disapproves the preliminary design plans within the period allowed under subdivision 3, the council shall hold a hearing on the plans, giving the commissioner of transportation, if the responsible authority, any disapproving local governmental units, and other persons an opportunity to present their views on the plans. The council may conduct independent study as it deems desirable and may mediate and attempt to resolve disagreements about the plans. Within 60 days after the hearing, the council shall review the plans and shall decide what amendments to the plans, if any, must be made to accommodate the objections presented by the disapproving local governmental units. Amendments to the plans as decided by the council must be made before continuing the planning and designing process.

Subd. 5. **Final design plans.** (a) If the final design plans incorporate a substantial change from the preliminary design plans with respect to location, length, or termini of routes; general dimension, elevation, or alignment of routes and crossings; location of tracks above ground, below ground, or at ground level; or station locations, before beginning construction, the responsible authority shall submit the changed component of the final design plans to the governing body of each statutory and home rule city, county, and town in which the changed component is proposed to be located. Within 60 days after the submission of the plans, the city, county, or town shall review and approve or disapprove the changed component located in the city, county, or town. A local unit of government that disapproves the change shall describe specific amendments to the plans that, if adopted, would cause the local unit to withdraw its disapproval. Failure to approve or disapprove the changed plans in writing within the time period is deemed to be approval, unless an extension is agreed to by the city, county, or town and the responsible authority.

(b) If the governing body of one or more cities, counties, or towns disapproves the changed plans within the period allowed under paragraph (a), the council shall review the final design plans under the same procedure and with the same effect as provided in subdivision 4 for preliminary design plans.

Subd. 7. **Council review.** If the commissioner is the responsible authority, before proceeding with construction of a light rail transit facility, the commissioner must submit preliminary and final design plans to the Metropolitan Council. The council must review the plans for consistency with the council's development guide and approve the plans.

Subd. 8. **Metropolitan significance.** This section does not diminish or replace the authority of the council under section 473.173.

Subd. 9. **Light rail transit operating costs.** (a) Before submitting an application for federal assistance for light rail transit facilities in the metropolitan area, the Metropolitan Council must prepare an estimate of the amount of operating subsidy which will be required to operate light rail transit in the corridor to which the federal assistance would be applied. The estimate must indicate the amount of operating subsidy estimated to be required in each of the first ten years of operation of the light rail transit facility. If the commissioner of transportation is the responsible authority, the commissioner must provide information requested by the council that is necessary to make the estimate.

(b) The council must review and evaluate the estimate developed under paragraph (a) with regard to the effect of operating the light rail transit facility on the currently available mechanisms for financing transit in the metropolitan area.

Subd. 10. **Corridor Management Committee.** The responsible authority must establish a Corridor Management Committee to advise the responsible authority in the design and construction of light rail transit in each corridor to be constructed. The Corridor Management Committee for each corridor shall consist of the following members:

- (1) one member appointed by each city and county in which the corridor is located;
- (2) the commissioner of transportation or a designee of the commissioner;
- (3) two members appointed by the Metropolitan Council, one of whom shall be designated as the chair of the committee;

The Corridor Management Committee shall advise the responsible authority on issues relating to environmental review, preliminary design, preliminary engineering, final design, implementation method, and construction of light rail transit in the corridor.

Subd. 13. **Dispute resolution.** In the event of a dispute between any of the parties arising from the parties' respective authority and responsibility under this section, the dispute shall be submitted to the Metropolitan Council for final resolution by any party to the dispute. The Metropolitan Council shall establish a process to ensure a prompt and speedy resolution of the dispute. This process shall allow the parties to provide evidence and testimony in support of their positions.

Subd. 14. **Transfer of facility after construction.** If the commissioner of transportation is the responsible authority for a particular light rail transit facility, the commissioner must transfer to the Metropolitan Council all facilities constructed and all equipment and property acquired in developing the facility upon completion of construction.
